From: CONS: JBAllen

TO: SULLIVAN FILE

SUBJECT: Possible source of information regarding W/W of John Sullivan

On Monday, December 7, 1981, [redacted] came to talk about [redacted] Amnesty International and that he had access to their files of photographs of corpses. He promised that he would keep a sharp eye out for any picture that resembled the picture of Sullivan which appears in the weekly ad and would inform us immediately if he found a picture that might be of Sullivan. He did not appear to want anything in return for this unsolicited service.
